

# SEND A SOLDIER A SUBSCRIPTION!

- Do you know someone in our military?
- Do you have neighbors or friends with someone in the military?
- We offer this opportunity to help support our troops by purchasing a magazine to donate during our magazine program activity.

You can show your patriotism when you donate a subscription to a soldier; you're supporting our soldiers, our country and my organization. Soldiers enjoy reading current magazines and can easily share them with their comrades. Magazines from the list below with any of the three address will be sent to our military serving throughout the world. Send three magazines to one address and a tree will be planted in my organization's name by Plant-It 2020.
